Governing Body Committee	Parent Council
Lead Person	Robert Waiting & Elinor Olisa Barikor

Background

The Parent Council is a body of parents¹ who represent the parents of children in each class. It provides a forum for parents to put forward their views to the Senior Leadership Team (“SLT”), PTA/PSA and the Governing Body (“GB”) of the school.

Objectives

The Parent Council works in partnership with the school to:

- Create a welcoming school which is inclusive for all parents by promoting partnership between the school, its pupils and its parents

- Develop and engage in activities which support the education and welfare of the pupils
- Identify and represent the views of parents on matters affecting the education and welfare of the pupils

Scope

The Governing Body remains the decision making body and provides the strategic leadership of the school. The Parent Council will provide a forum for consultation and advice on matters such as (but not limited to):

- Procedures which affect the day-to-day operation of the school.
- Systems of communication between the school and parents on matters concerning the operation of the school.
- Matters designed to foster greater parental participation and engagement in the education of pupils by all parents.

Some topics cannot be addressed by the Parent Council & should be referred directly by individual parents to the class teacher in the first instance or a member of the school leadership team (Year Group Leaders/Phase Leaders/Assistant Heads/Deputy Head/Head Teacher). These includes matters such as, but not restricted to:

- School policies and procedures relating to general curriculum issues & details
- Issues relating to individual children or staff
- Individual complaints or grievances

How is this achieved?

The Parent Council will be a forum for gathering, discussing & conveying parental views to the school. It will be involved in working with the school to address matters identified from the annual Parent Survey and making recommendations to the Senior Leadership Team & Governing Body regarding possible actions that could be taken in relation to these. Accordingly the work of the Parent Council will complement the the Senior Leadership Team & the Governing Body.

The Parent Council will meet half-termly. Meetings will be minuted and made available to all parents, the Senior Leadership Team & the Governing Body. Headline information from the PC meetings will also be presented to the Children, Families and Community Governor committee by the associated PC governor.

Meetings will be conducted in a positive spirit, be constructive and solution focused. The impact of its work and these Terms of Reference will be reviewed annually by the Parent Council at the end of each academic year, initiated by the Chair.

Membership

Membership of the Parent Council is open to all parents and carers who currently have a child at Alexandra Primary School. Membership will consist of;

- At least one volunteer parent from each class (the “Class Member”)
- The Head Teacher or Deputy Head Teacher
- One member of the Governing Body
- Chair or representative of the PSA

Other members of staff will be invited to meetings as appropriate.

At the first meeting of the Parent Council each academic year one of the Parent members will be selected to act as Chair, one will be selected to act as Vice-Chair and one will be selected to act as Secretary. Details of these roles can be found in Appendix I to this document. The term of office for each member shall be one year – with members able to sit in role for a maximum of three consecutive years.

Class Members

The maximum number of volunteer parents representing any given year group will be equal to the number of classes in that year - meaning that ideally the Parent Council will be made up of one parent representative from each class.

The process for recruiting Class Members will be as follows;

- o In the last half-term of each academic year, the Chair of the Parent Council will invite all parents to express their interest in taking up the role of Class Member for the following year.
- o The Chair will then appoint the members for the following year as follows;
 - o If only one parent in any given class has expressed an interest in the role they will be appointed as the representative for the following year.
 - o If more than one parent in a class has expressed an interest in the role the Chair will facilitate a poll of parents in the class in order to decide who will be appointed.
 - o If no parents in a class have expressed an interest in the role the Chair will not allocate a representative for that class. A representative for the class in question may join during the academic year if an individual comes forward to fill the vacancy.

The school will invite representatives from the newly started Foundation Stage classes (Reception and Nursery) to express their interest in becoming a member of the Parent Council on joining the school and by the end of September each year. The Chair of the Council will then allocate the places on the Council, in accordance with the steps above.

If a Parent Council member acts in a way that is considered by other members to undermine the objectives of the Parent Council, their membership of the Parent Council shall be terminated if the majority of parent members agree. Termination of membership would be confirmed in writing to the member by the Chair.

Meetings

The Parent Council meets once every school half- term.

- o At the last meeting of the academic year the Chair will set the first meeting date and time for the following academic year.
- o At the first meeting of the academic year the Chair, with input from Council members, will set the dates and times of meetings for the remainder of the year.

Meeting dates for the year will be made available on the school website.

In order for a meeting to be quorate there must be at least ten class representatives in attendance. The Head Teacher or Deputy Head Teacher must also be present for the meeting to go ahead.

The Chair will work with the Deputy Head Teacher to draft the agenda for each meeting, which will be emailed to the Parent Council members, along with additional paperwork to cascade to their classes, at least 10 days before the meeting is scheduled to take place. Members will then obtain feedback from the parents of children in their class prior to each meeting on the agenda topic and matters of “any other business”. The topics of discussion for the year

will be cascaded to each class by the Parent Council Reps and are also available on the school website. Paper copies are available on request from the School Office for those without internet access.

Should a vote be necessary to make a decision, each parent member at the meeting will have one vote, with the Chair having a casting vote in the event of a tie.

All meetings must be minuted and a copy of the minutes provided to the Head Teacher for approval before publication. These will then be made available to the whole school community and teachers via the school website, the school newsletter & emailed to parents via the Parent Council representatives of each class.
