Years 1-6

After-school Art club details:

£9.50 per week

Maximum 16 per club

Our Art club follows a carefully considered programme of creative projects covering drawing skills, painting techniques, working with different media and craft projects. We design all our projects with children in mind and we certainly make Art fun! The projects are carefully thought through to take the children on an artistic journey where they build up their skills and progress. Usually there is a different project each week which they take home proudly.
