URGENT MESSAGE

Dear parents and carers,

Please be aware that your children are your responsibility until they have entered the classrooms in the morning. The playground is not supervised by staff before or after school, as they are received from parents/carers at the classroom doors and returned to them at the door at the end of the day.

Please be aware that before school this morning a Year 1 child ran out of the school gates on to Princes Road to retrieve a ball.

Please keep them with you to make sure they are safe, until you hand your child/ren in to the class teachers and until you leave the playground with them at the end of the day.

Thanks for your help and cooperation,
Rachel Carr

Congratulations

On Wednesday 12th June, some of our Year 5 children took part in a borough wide Kwik Cricket tournament. The standard was very high from the start, but the team had previous experience and was in high spirits. They displayed fantastic communication and teamwork skills giving each other tips to help improve technique or change their positioning throughout. Overall, the performances got better with each game. Unfortunately, the competition was tough, and the team did not get through to the knockout stages. However, it has been fantastic experience for next year's tournament, and the whole team left proud of what they had achieved. Well done Year 5!

Hoglet's Cake Sale this Friday

Please come and support Hoglet class by donating / buying cakes. The class teachers are reliant on money raised from cake sales to purchase extra resources to enhance the children's learning. Many thanks for your support.
