Sporting Congratulations

SUMMER RELAYS

Congratulations to our Year 3, 4 and 5 cross country relay teams this week. On Wednesday they took on the challenge of a 4 x 800m relay race at Ditton Field in Thames Ditton, together with 30 other schools from across the borough. All teams ran their hardest and we were extremely proud of their determination and team spirit. Well done everyone.

Year 4 Basketball tournament

On Friday 14th June, our Year 4s took part in the first Kingston Lions Basketball tournament. The children were in high spirits before the event, and this showed in each of their games. Regardless of the fact that the competition was tough, all of the children played to the best of their ability and gave it one hundred percent at all times. It took the first match for the children to get use to the fast pace and energetic tempo of basketball. However, they soon got into the groove. Particular mentions to Max, Noah and Matthew who helped their team members during the games and displayed superb basketball ability. A challenging tournament, but well done Year 4.

Year 2 Football Festival

On Tuesday 18th June, our Year 2 boys played in a football festival at Kew AFC. All of the children were incredibly excited to show off their football skills and this showed during their first three matches. It really showed how much the boys had matured from their previous football festival back in February. They played more tactically, spread themselves around the pitch and showed more grit and determination. All of this led to clean sheets and lots of goals. The final match proved tough. The boys gave it their all but suffered their only defeat of the day. They are shaping up to be a good team for future tournaments to come. Well done boys.

Duckling Cake Sale this Friday

Please come and support the Ducklings by donating / buying cakes.
The class teachers are reliant on money raised from cake sales to purchase extra resources to enhance the children's learning. Many thanks for your support.
