## Funding impact on pupils:

Date updated: July 2019

### **School Games Mark Gold**

Alexandra school was awarded **School Games Mark Gold** for the second year running in June 2019. In order to achieve the Gold Kitemark we had to meet the following criteria:

- Provide all students with a minimum of 2 hours of PE per week and extra curriculum provision.
- Engage at least 50% of students in extra-curricular clubs
- Talented pupils are given specific support to help them develop their sporting potential.
- There must be at least 9 intra-school events across different sports
- There must be at least 9 inter-school events across different sports
- Alexandra have to enter 4 'B' teams in to competitive events
- Alexandra must enter 1 'C' team in to competitive events
- Promote school games events once a fortnight and regularly feature match reports and competition results (We promote our schools sport regularly through our @Alex newsletter and via the school website).
- Engage at least 20% of students in leading, managing and officiating school games activities (The children lead through their roles as team captains.)
- Have a child-led school sport organising committee
- Utilise sports coaches to support school sport.
- Train wider school staff to support school sport.

***To increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.***

Impact has been:

- Increased pupil participation in borough events including a wider variety of sports (236 pupils – see participation diary above)
- Improvement in participation ranking within the borough. (23<sup>rd</sup> out of 40)
- Weekly Inter school with SPJ football matches (involving 8 children a week across the year groups, both girls and boys) – approx. 70 children participating. Targeted children were those who had never competed in a sporting event.
- Links developed within wider community with participation in community events.
- The whole school participated in sports day – from Nursery to Year 5.
- Whole school participation in sports week. Every child had the opportunity to take part in several from a specialist sports coach. Additional focus throughout the week on healthy eating and wellbeing.
- Wide range of sports and activities on offer with brand new equipment. Additional resources have been purchased, increasing the number of physical activities that can be played at break and lunchtimes. Playtime and lunchtime sports rota gives all children the opportunity to play 9 different sports per week. Higher level of participation at playtimes due to increased sports activities in the MUGA. The new MUGA has enabled sport and fitness to take place throughout the school day as PE lesson timetabling no longer impacts the playground timetable.

- Our brand new outdoor gym equipment has been extremely popular with the whole school and has increased the variety of daily exercise activities available to children.
- Our Daily Fitness offer includes running the Daily Mile, Skip 2B Fit and using the outdoor gym equipment. Daily Fitness is timetabled for Reception children up to Year 6 and lasts for 15 minutes. This will be re-launched in September.
- Alexandra offer a wide range of extra curricular clubs for pupils, including ballet, football, karate, multisports, Zumba, basketball and Judo.
- Throughout the year current and past GB Olympians and athletes have delivered assemblies and coaching sessions with the aim of inspiring children to partake in physical activity and sport. David Weir talked to the children in a special assembly and a video message was delivered by Ellie Simmonds, (2 of our Team name inspired athletes). We also welcomed Caitlin Trevor, a multi medal winning athlete who was born with Downs Syndrome, who gave an inspirational presentation about her achievements to date.
- All sports news and information is reported in the school's weekly newsletter.
- P.E Lead updated creative curriculum for all year groups to ensure a wealth of sports offers with progression of skills.

***Hire specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE:***

- 60 Year 4 pupils went on an overnight residential to Thames Young Mariners to engage in Outdoor and Adventurous Activities. It was a hugely successful trip enjoyed by all including our ESTA children with additional physical needs. The children were engaged in water sport activities and offered experiences that cannot be offered at school.
- *Teddy Tennis* have run weekly tennis sessions for EYFS (+ provided CPD for Early Years staff) in Spring Term. This has given an excellent foundation to the EYFS pupils and adults. Many of our parents subsequently continued with teddy Tennis lessons outside of school.
- Born Bakori (fitness trainer) has continued his sport and fitness coaching to our ESTA and Sen pupils. This has been incredibly popular and has been credited in our parent survey and in our borough ESTA review.  
Weekly additional opportunities for sport and PE are timetabled for our pupils with additional needs.
